THE SOUTH-CAROLINA AND COUNTRY GAZETTE; JOURNAL.

Containing the freſheſt Advices, both Foreign and Domeſtic.

TUESDAY, MARCH 2, 1773.

SOUTH-CAROLINA.
CHARLES-TOWN DISTRICT.

In the Court of General Seſſions of the Peace, Oyer and Terminer, Aſſize and General Goal Delivery, begun and holden at CHARLES-TOWN, *on* TUESDAY *the 16th of* FEBRUARY, 1773.

IT IS ORDERED,

THAT the PRESENTMENTS of the GRAND JURY at the preſent Seſſions, be publiſhed in the ſeveral Gazettes of this Province.

By the Court,
JAMES JOHNSTON, C. C. & P.

SOUTH-CAROLINA.

The PRESENTMENTS *of the* GRAND JURY *for the Diſtrict of* CHARLES-TOWN, *at a Court of General Seſſions of the Peace, Oyer and Terminer, Aſſize and General Goal-Delivery, begun and holden at* Charles-Town, *on* Tueſday *the 16th of* February, 1773.

I. WE preſent, as a Grievance, that Negroes are allowed to huckſter and ſell dry Goods, Fruit and Victuals about the Markets and Streets; which are often Inducements to Theft; it being well known, that they, as well as many white Perſons, are ready to buy and receive ſtolen Goods.

II. We preſent, as a Grievance, the Want of Public Lamps in many of the Streets of this Town; and recommend that very ſevere Fines and Penalties be inflicted on thoſe who ſhall be convicted of having wantonly or maliciouſly broken the Lamps, or in any Manner obſtructed or defeated ſo uſeful and neceſſary a Regulation.

III. We preſent, as a very great Grievance, the great Increaſe of Dram-Shops, and tipling diſorderly Houſes, of late Years, in this Town; from whoſe Source many of the Evils which are daily committed, derive their Origin.

IV. We preſent, as a Grievance, the general Neglect of the Officers of the Militia, throughout the Province, for not muſtering and training the different Companies as often as the Law requires; and the great Neglect of the Patrol Duty.

V. We preſent, as a Grievance, that Soap-Boilers, Tallow-Chandlers, Blackſmiths, and Bakers, are allowed to exerciſe their Callings wherever they pleaſe, within the Limits of *Charles-Town*, to the great Danger of the Inhabitants from Fire.

VI. We preſent, as a great Grievance, the frequent Practice of young People firing off Guns in and about this Town, and near the Dwellings of ſome of its Inhabitants, that two or three Lives have lately been greatly endangered thereby.

VII. We preſent, as a Grievance, the Want of more Wells and Pumps in the Streets of *Charles-Town* (the preſent Number not being ſufficient) and do recommend, that ſome Perſon be appointed to inſpect the Condition of the Pumps, that they may be always in good Order:---The Want of this Regulation, as well as the Want of Water (owing to the Wells not being ſufficiently deepened) have been lately ſeverely felt.

VIII. We preſent, as a Grievance, that Carters and Draymen, do pay no Regard to the Law which reſtrains them from riding on their Carts and Drays; and alſo the Diſregard that is daily ſhewn to the Law obliging Perſons to ride moderately through the Streets of this Town.

IX. We preſent, as a Grievance, that a Number of Vagrants, are ſuffered to beg about the Streets, and inſult the Inhabitants of this Town, while a very adequate Proviſion is made for the Poor:---And, if there is no Houſe of Employment for Vagrants, we do recommend, that ſuch may be provided, and a ſufficient Power lodged in the Magiſtrates to confine Vagrants, &c. &c. therein.

X. We recommend the erecting of public Stocks in every Croſs-Street of this Town, with Power to be lodged in every white Perſon, (as by the Negro Law is given to whip Negroes found without Tickets) to put Offenders therein; as the only Means to ſtop or check the intolerable Inſolence of Negroes, and other Slaves, in blaſpheming, talking obſcenely, and gaming, in the public Streets, as they daily do, but particularly on Sundays, which is ſo diſgraceful to common Decency, and the Religion we profeſs.

XI. We preſent, as a very great Grievance, the practiſing of Race-Horſes over the Race-Ground on Sabbath-Days, for ſome Weeks before the Firſt Tueſday in February, yearly; by which Means a great Number of People are drawn there, and the Sabbath is prophaned, in Defiance of the Laws of God and the Country.

XII. We preſent, as a Grievance of a dangerous Tendency, that the Negroes watching of Rice upon the Wharves at Night, ſhould be allowed to make Fires, as the Stores and Houſes near the Quays are thereby much expoſed; particularly, as it is too notoriouſly known, that large Quantities of naval Stores, and other combuſtible Matters, lie on the Wharves, to which the Sparks of Fire might be eaſily communicated.

XIII. We do recommend, that a Harbour-Maſter be appointed for *Charles-Town*, by Act of Aſſembly, with a ſufficient Salary.

XIV. We do alſo recommend, as eſſentially neceſſary to ſecure our Property, that Proviſion may be made for completely fortifying this Port and Harbour, with Works that will ſtand, and not prove more profitable Jobs to the Undertakers, and therefore that they may be conſtructed of Tabby Work.

XV. We preſent, as a Grievance, that a limited Time is not fixed for recording of Mortgages, Marriage-Settlements, and Bills of Sale; for Want of which, many Perſons have been defrauded of large Sums of Money, by ſeveral Deeds of ſaid Nature, being but upon Record ſome Years after their Dates, ſo that unjuſt Preference has been given, to the great Injury of many: We therefore deſire, that it may be recommended to the Legiſlature, that a Law may be made, that ſuch Deeds which are not duly entered upon Record in Three Months from their Dates, may be deemed inſufficient.

XVI. We preſent, as a Grievance, the Want of a proper Landing-Place for Horſes and Carriages from *Hobcaw* Ferry, to this Town; Paſſengers, with their Effects, having been frequently detained for Want thereof, the preſent Place affording a fair Landing only at a certain Time of Tide:---Upon the Information of *John-Mortimer Williams*.

XVII. We preſent, as a Grievance, the Peſt-Houſe on *Sullivan's* Iſland, as inſufficient for the Purpoſes intended thereby.

XVIII. We preſent, as a very great Grievance, the bad Condition of the High Roads, Bridges, Cauſeys, and Ferry-Boats in general, have been in throughout the Province, for a conſiderable Time paſt, ſo as to be very inconvenient, and even dangerous to Travellers, hoping that the Law, if defective on this Head, will be amended, and made effectual by the Legiſlature.

XIX. We preſent, as a moſt capital Grievance, the ſuffering the whole Province to be impoſed upon, in the Circulation of counterfeit and baſe Money. It has been uſual formerly, upon the firſt Diſcovery of ſuch, to publiſh a Deſcription thereof, and minutely to point out the difference between the *true* and the *falſe*; and to iſſue *Proclamations*, offering conſiderable Rewards for diſcovering, apprehending, and bringing to Juſtice, Principals and Acceſſaries; but no ſuch Thing has been done for ſome Years paſt: In Conſequence of which, there is too much Reaſon to fear, there may be near as many counterfeit Bills of Credit abroad, from *Twenty Pounds* to *Seven Shillings* and *Sixpence*, and of ſeveral Denominations of public Orders and Certificates, as there are of true ones. The Loſs hath already fallen heavy on many poor ignorant People, and will be much aggravated the longer 'tis ſuffered to continue.

XX. We preſent alſo, as a very great Grievance, the Want of a ſufficient Law to prevent the Circulation of any Kind of baſe and clipt Coin, ſuch as baſe Metal, caſed and clipt Half Johannes's, Moidores, and cut Piſtoles, baſe Metal, ſilvered and caſed Dollars, Pewter cut Bitts, and milled Dollars cut into five Bitts, whereby many are greatly defrauded and injured, and Villains are encouraged to continue ſuch Impoſitions.

XXI. We do, with great Earneſtneſs, recommend that the Projects for opening an eaſy Communication between *Santee* and *Cooper* Rivers, and alſo between *Aſhley* and *Ediſto* Rivers, be carried into Execution, by Acts of the Legiſlature:---Undertakings which appear to us very practicable, and would be of infinite Advantage to the poor Settlers in the interior Parts of the Province, and greatly reduce the Price of Corn, and other Proviſions.

XXII. We do recommend a Reviſion of all the Laws relative to Negroes and other Slaves; and that one ſufficient Law, in Lieu of them all, be framed, in which every Thing neceſſary may be comprized, ſo as not to perplex Juſtices, Freeholders, and others, who may have Recourſe thereto.

XXIII. We do recommend, a like Reviſion of all the Laws for the Prevention of Fires in *Charles-Town*, and that a more ſufficient Law to anſwer the Purpoſe be framed; that the Fines on careleſs People may therein be enlarged; that beſides the Fire-Maſters, two Examiners of Chimneys and Hearths be appointed, with proper Powers, and that a Fire-Company be formed and eſtabliſhed.

XXIV. We do moſt earneſtly recommend, that the Legiſlature may paſs an Act for incorporating this Town; as the only Means that will effectually remove many Enormities, prevent and redreſs many Grievances, and tend to introduce and eſtabliſh many wiſe and beneficial Regulations.

XXV. We preſent, as a great Grievance, that the Road from *Beach-Hill* to *Auguſta*, is not made a public Road, whereby it is often rendered dangerous, and in ſome Parts impaſſible, to the great Obſtruction of the Waggon-Trade; and do recommend, that a Law may be paſſed for making a public Road, beginning at about a Mile Diſtance above Mr. William Pendarvis's Plantation, at *Beach-Hill*, and continuing the ſame to *Ediſto* River; from thence by the *Saw-Mills* on the South Side of and along the ſaid River to the Head of the *Roſemary* Branch, and thence to *Auguſta*; which would be a ſafer, ſhorter, and more convenient Route, as well for Travellers as Land-Carriage, than that now made uſe of. And the ſaid Road might be rendered of ſtill greater Benefit and Advantage to the Inhabitants of thoſe Parts, by being continued from the Head of the *Roſemary* Branch aforeſaid to *Long-Canes*.

Laſtly, We recommend that theſe our Preſentments, by Order of the Court, may be publiſhed in the Gazettes.

A PROCLAMATION.

WHEREAS, by a Petition ſigned by ſeveral of the Inhabitants of this Province, ſettled on or near the Boundary-Line, between this Province and *North Carolina*, by Virtue of Grants from the Governor of *North Carolina*, this Day preſented to me in Council, it appears, That the Proclamation iſſued by me, on the Nineteenth Day of *June* laſt, ſetting forth, that, "Whereas "by the Continuation of the Boundary-Line, between this "Province and *North Carolina*, which had lately been "run, in Purſuance of his MAJESTY'S INSTRUCTIONS "to the Governors of both Provinces, ſeveral Plantations "which had been ſettled by Virtue of Grants from the "Governor of *North Carolina*, fell within this Govern-"ment. IN ORDER to preſerve to the Proprietors of "ſuch Grants, the equitable Right they had to the Lands "mentioned therein, I DID, by the Advice of his "Majeſty's Council, iſſue my Proclamation, HEREBY "STRICTLY FORBIDDING all the Deputy-Surveyors of "this Province from laying any Warrant on Lands for "which Grants had been obtained in *North Carolina*; "AND notifying to all Perſons poſſeſſed of, or intitled "unto, ſuch Grants, that they might have Grants for "the ſame from this Government, on their producing "ſuch Grants, without their perſonal Attendance at "*Charles-Town*, provided Application was made for the "ſame within *Twelve Months* from the Date thereof," had not been ſufficiently notified to the Perſons for whoſe Benefit it was intended; and the Time therein mentioned, for them to come and take out Grants for thoſe Lands, will be therefore too ſhort: I THEREFORE, taking the ſame into Conſideration, have thought fit, by and with the Advice of his Majeſty's Honourable Council, to iſſue this my Proclamation, hereby ſtrictly forbidding all Deputy Surveyors from laying any Warrants on the Lands by Virtue of ſuch Grants: AND FURTHER, that to all Perſons poſſeſſed of, or intitled unto, ſuch Grants or Conveyances, that the Time for their applying to have a Confirmation of the ſame, will be prolonged till the Firſt Day of *January* next.

Some extraordinary Influences of the Increase of Families in North-America. By Profeſſor Kalm.

IT does not ſeem difficult to find out the reaſons why the people multiply ſo in America more than in Europe. As ſoon as a perſon is old enough, he may marry in theſe provinces, without any fear of poverty; for there is ſuch a tract of good ground yet uncultivated, that a new-married man can, without difficulty, get a ſpot of ground, where he may ſufficiently ſubſiſt with his wife and children. The taxes are very low, and he need not be under any concern on their account. The liberties he enjoys are ſo great, that he conſiders himſelf as a prince in his poſſeſſions. I ſhall here demonſtrate by ſome plain examples, what effect ſuch a conſtitution is capable of.

In the year 1732, January the 24th, died at Ipſwich, in New-England, Mrs. Sarah Tuthil, a widow, aged eighty-ſix years. She had brought ſixteen children into the world; and from ſeven of them only ſhe had ſeen one hundred and ſeventy-ſeven grand-children and great grand-children.

In the year 1739, May the 30th, the children, grand and great-grand-children, of Mr. Richard Buttington, in the pariſh of Chelter, in Pennſylvania, were aſſembled in his houſe; and they made together one hundred and fifteen perſons. The parents of theſe children, Richard Buttington, who was born in England, was then entering into his eighty-fifth year; and was at that time quite freſh, active, and ſenſible. His eldeſt ſon then ſixty years old, was the firſt Engliſhman born in Pennſylvania.

In the year 1742, on the 8th of January, died at Trenton, in New-Jerſey, Mrs. Sarah Furman, a widow, aged ninety-ſeven years. She was born in New-England; and left five children, ſixty-one grand-children, one hundred and eighty-two great-grand-children, and twelve great-great-grand-children, who were all alive when ſhe died.

In the year 1759, on the 28th of January, died at South Kingſton, in New-England, Mrs. Maria Hazard, a widow, in the hundredth year of her age. She was born in Rhode-Iſland, and was a grand-mother of the then Vice-governor of that Iſland, Mr. George Hazard. She could count altogether five hundred children, grand-children, great-grand-children, and great great-grand-children. When ſhe died, two hundred and five perſons of them were alive; a grand-daughter of hers had already been grand-mother near fifteen years.

ANECDOTE.

WHEN Philip IIId. King of Spain, ſent his Ambaſſador to treat with the States of Holland, about their independency, he was ſhewn into an antichamber, where he waited to ſee the members of the State paſs by: He ſtaid for ſome time, and ſeeing none but a parcel of plain-dreſſed men, with bundles in their hands (which as many of them came from diſtant provinces, contained their linen and proviſions) he turned to his interpreter, and aſked when the States would come? The man replied, that thoſe were the members whom he ſaw go by; upon which he wrote to the Commander in Chief of the Spaniſh army, to adviſe the King his maſter to make peace as ſoon as poſſible, and in his letter is this remarkable paſſage: "I expected (ſays he) to have ſeen the States make a ſplendid appearance; but inſtead of that, I ſaw only a parcel of plain-dreſſed men, with ſenſible faces, who came into council with their proviſions in their hands; and whoſe parſimony will ruin the King my Maſter in the courſe of the war, if it be continued; for there is no contending with people whoſe nobles can live upon a ſhilling a day, and want not to be fed to ſerve their country."

EVERY private Spartan ſeemed to be ſo thoroughly ſenſible how neceſſary it was for the good of his country, that all places ſhould be given to thoſe men who had the moſt merit; that one Perſeverus having loſt a poſt of honour, for which he was a candidate, and into which 300 other Spartans were choſe, returned to his houſe tranſported with joy; and being aſked by [illegible] what was the occaſion of ſo much gaiety, his anſwer was, "I am infinitely pleaſed to find that there are in Sparta 300 better men than myſelf." The Spartan's notion in this particular, was the ſame with that of Pittacus, one of the ſeven wiſe men of Greece, who, at the celebrated entertainment made by Periander, where all thoſe ſages were preſent, being aſked what form of government he conceived to be the beſt and moſt perfect, replied, That government in which all poſts of honour or profit are given to men of the moſt merit, and ſuch as are beſt qualified to diſcharge them. This anſwer of the ſage was highly applauded by the illuſtrious company, and thought truly worthy to be tranſmitted to poſterity.

An old ORECIAN ANECDOTE.

ARISTOPHANES, the Foote of Athens, introduces in one of his very humorous comedies, a gentleman endeavouring to perſuade a maker of ſauſages to puſh for the miniſtry; but the honeſt man too modeſt, and too ſenſible of his own inabilities, declined. "Pſhaw!" replied the gentleman, "inability! ſtuff and nonſenſe. There is nothing in the world ſo eaſy; for a man of your profeſſion eſpecially. Continue to act as you have been uſed to do: Mix and jumble all things together. Mince your words as you do your meat, it will be thought affability. Continue to talk of your cookery: Your profeſſion has made you popular, and taught you knavery: In ſhort, my friend, you have every qualification requiſite in a miniſter of ſtate------ except aſſurance."

SOUTH-CAROLINA.

Council Chamber, February 17th 1773.

WHEREAS there was this Day read at the Board, a Memorial of Matthew Lindsay, Benjamin Davidson, and sundry other Persons, setting forth, that they were Settlers, under Grants and Conveyances from the Governor of North Carolina, on sundry Tracts of Land, which were appear, from the Continuation of the Boundary Line, to be within the Limits of this Province, and humbly praying to be informed what Methods they were to pursue to secure their Titles from this Government, as they were under great Apprehensions of losing their Lands, by their being run on Warrants from this Province; and they had been variously directed by several different Persons to whom they had applied for Information: His Excellency the Governor, by the Advice of the Board, directed that the following Minute of this Board, of the Twenty-first Day of September last, should be printed in the Form of an Advertisment, and that several Copies thereof should be sent to be distributed among the Inhabitants of the Country on this Side of the continued Boundary Line between this Province and North-Carolina, viz.

MINUTE of COUNCIL of 21st September, 1772.

"THE Clerk informed his Excellency and the Board, that some of the Persons who were settled on the Lands on this Side of the Boundary-Line between this Province and North-Carolina, under Grants from North-Carolina, and Conveyances from original Grantees, who were desirous to secure their Lands, by complying with such Forms as this Government should think necessary to direct, had applied to him to be put into a proper Mode for obtaining new Grants, and he begged the Direction of his Excellency and the Board on that Head: It was thereupon observed, that it would be reasonable to ease such People as were settled under Actual and *Bona Fide* Grants and Conveyances, of as much Trouble and Expence as possible, and at the same Time, it would be necessary to use due Precautions to prevent Grants being obtained under false Pretences; and therefore it would be proper that their Titles should be referred to some fit Person to examine the same, who, if they were found to be complete, might certify the same, and then, on Petition, their Plats might be ordered to be recorded and certified by the Surveyor-General, and Grants prepared by the Secretary, which would save the Expence of a second actual Survey; and this method being approved of, IT WAS ORDERED by his Excellency, with the Advice of the Board, *That the Clerk of this Board do examine all Grants or Conveyances that shall be brought to him for that Purpose: and that he do certify what Titles he shall find, upon such Examination, to be clear, in order that new Grants may be prepared for the same to the Persons respectively claiming to hold them by such Titles.*"
